Why should I earn the CSCP?

Earning the APICS CSCP makes you a recognized expert in the supply chain field. This professional distinction sets you apart from your colleagues, proving your high level of knowledge and skills.

After earning your CSCP you will be able to:

- Help your company reach its ideal supply chain state
- Use data to link production, distribution, purchasing and service
- Reduce waste in supply chains
- Identify and classify supply chain risk and develop risk response plans

41%

Increase your salary by up to **41%**.

27%

APICS certified individuals earn **27%** more than those without a certification.

What will I study?

The CSCP learning system is divided into eight modules. You will learn the latest best practices to elevate your job performance and help you take advantage of common technologies. The knowledge you gain through these materials will help you drive improvement in your organization, maximize the efficiency of planning and operations and improve the bottom line.

Module 1: Supply Chains, Demand Management, and Forecasting

Module 2: Global Supply Chain Networks

Module 3: Sourcing Products and Services

Module 4: Internal Operations and Inventory

Module 5: Forward and Reverse Logistics

Module 6: Supply Chain Relationships

Module 7: Supply Chain Risk

Module 8: Optimization, Sustainability, and Technology

About APICS and ASCM

The **Association for Supply Chain Management (ASCM)** is the global pacesetter of organizational transformation, talent development and supply chain innovation. As the largest association for supply chain, ASCM members and worldwide alliances fuel innovation and inspire accountability for resilient, dynamic and sustainable operations. ASCM is built on a foundation of world-class APICS education, certification and career resources, which encompass award-winning workforce development, relevant content, groundbreaking industry standards and a diverse community of professionals who are driven to create a better world through supply chain.

For more information, visit midwestgateway.ascm.org or email us at education@midwestgateway.ascm.org

ASCM Midwest Gateway Chapter serves a regional network of supply chain professionals from Southern Illinois to Eastern Kansas with hubs in the St. Louis and Kansas City metro areas. ASCM Midwest Gateway is committed to serving the community by providing a variety of professional development programs promoting supply chain education, certification, and innovation.
